### THE PROJECT

A five-song autobiographical debut exploring relationships, defining moments, difficult experiences, memory, and personal growth. Produced entirely by Los Angeles-based Riley Urick, the EP moves through contemporary and alternative R&B, melodic pop, and hip-hop influences before arriving at love, family, and the life Ryan chooses in the present.

### TRACKLIST

- 01 Preface — The opening piece establishes the project's emotional frame.
- 02 Fear & Fate — Long-form R&B that builds into a second-half emotional and production lift.
- 03 Can You Stay — A compassionate song about hoping someone you love can stay through difficult battles.
- 04 Pull Over — A darker, beat-driven hip-hop/R&B narrative drawn from a real late-night encounter.
- 05 Forever I'm Yours — A romantic closing statement inspired by Ryan's wife and the life they have built.

# The story behind the music.

## ARTIST BIOGRAPHY

Ryan Xander is a Bay Area R&B/pop artist creating melodic, cinematic music rooted in personal storytelling. His songs draw from relationships, memory, growth, family, and the moments that change the direction of a life.

After pursuing music privately for years while building a career, marriage, and family, Ryan made his official debut in September 2026 with “Forever I’m Yours.” Inspired by his wife, the single explores devotion, gratitude, and finding the person who feels like home. “Pull Over,” released later that month, revealed a darker, beat-driven hip-hop/R&B side of his storytelling.

His five-song debut EP, *With Love, Ryan*, brings those stories together into a cohesive autobiographical project. Produced by Riley Urick, the release spans vulnerability, tension, loss, and personal growth, ending with the love and life Ryan chooses in the present.
